He served as state attorney general from 1975-1979 and as governor from 1979-1987, 1995-2003. He served in the US House of Representatives from 2003-2004 before resigning after a traffic accident. He practiced law in Sioux Falls until his death in 2012.

Scope and Content: The Gubernatorial Papers consist of the gubernatorial records including department files, news clippings, monthly reports, state Senate and House records, notes, minutes, photographs and audio-visual materials.

Arrangement: The Gubernatorial Papers are arranged with respect to the provenantial ordering of their pervious custodians. These papers are divided into the twelve groups by which they were accessioned by the State Archives over the course of Janklow’s multiple gubernatorial terms. Some accession groups are further divided into series defining format, governmental department, and subject. These series are presumed to replicate the original order of the files as they were maintained by the Governor’s Office.
