

## Creating a Socrative Account

1. Go to the Socrative home page at <http://b.socrative.com>

2. Click on the *Get an Account* link. This will open the *Choose a Plan* page below. Select the free plan.

3. The New teacher Account page is where you will register for your account and set your username and password. Note: You *will not* receive spam emails by creating an account.

The screenshot shows the Socrative logo at the top, followed by the text "by MasteryConnect". Below this is a link: "Students do not need an account. Join a teacher's room here: [Student Login](#)". The main heading is "NEW TEACHER ACCOUNT". There are three numbered steps: 1 (active), 2, and 3. Step 1 is titled "Profile" and contains a form with the following fields: "First Name", "Last Name", "Email", "Confirm Email", "Password", and "Confirm Password". At the bottom of the form are two buttons: "CANCEL" and "NEXT".

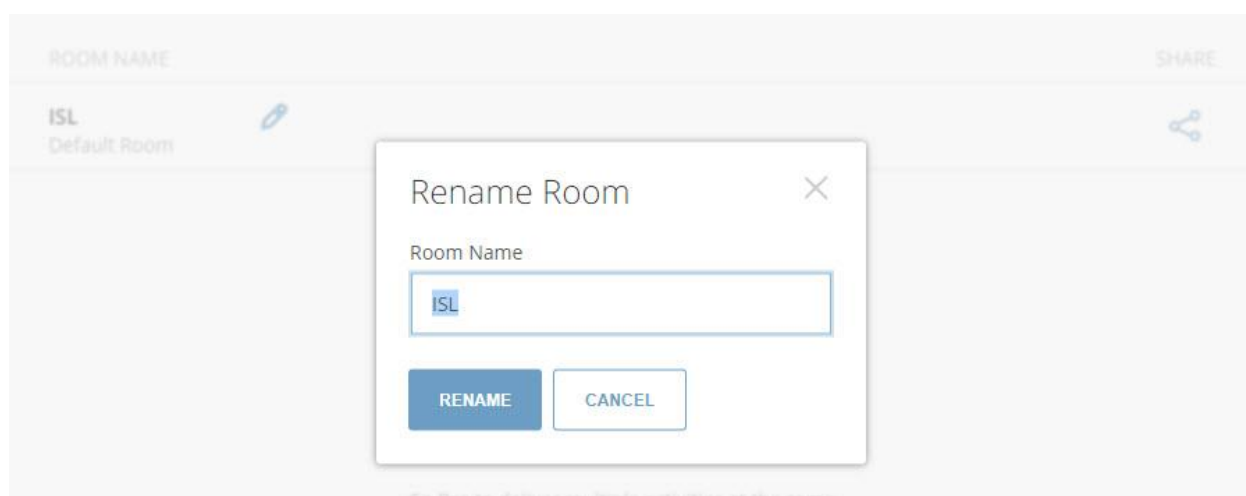

4. Fill in the requested information. Once you submit the information you will be taken into what is your room. The initial room name will be a combination of numbers and letters, i.e., 38Bo234XY. You will be able to change the room name. Your room will look like this.

5. To change your room name to something more user friendly click on *Rooms*. The rooms page will open (see below-next page).

6. Click on the Pencil icon. A pop-up window will appear (see below) where you can change your room name. It may take several attempts before you come up with a room name that has not already been claimed by someone else.

7. Once done with this page you can log out of Socrative by clicking on your name located in the upper right hand corner of the page then click on Sign Out from the choices in the drop down menu.
